Office Memorandum • UNITED STATES GOVERNMENT

TO : DC/Plans & Policy Staff/OTR

DATE: 19 March 1958

FROM : DC/Operations School/OTR

SUBJECT: Operations School Activities and Accomplishments
October 1957 through March 1958

25X1A6a

1. This period has seen the initiation of two new courses at Headquarters and one at ▮▮▮▮▮. The Headquarters courses were Counter-Intelligence Familiarization and the Clandestine Services Liaison Operations. The CIF is a full-time five day course while the CSLO is a sixty hour program. There have been five presentations of the CIF first initiated 7 October 1957. Two CSLO courses have been completed. This program was initiated 28 October 1957.

25X1A6a

The course at ▮▮▮▮▮ is the Audio Countermeasures Course. The first running was 13 January through 7 February 1958. It is designed to provide instruction in the detection of hostile audio surveillance.

25X1A

2. Covert Training has provided instruction and training for ▮▮▮▮▮▮▮▮▮▮▮▮▮▮▮▮▮▮▮▮▮▮▮ for 84 trainees in 20 projects. For staff agents and deep cover personnel, hand tailored tutorial instruction has been provided in 20 projects for 28 trainees.

3. The staff devoted to providing support to overseas training programs has completed six studies, three of which have been published in book form. These studies have been designed as guides for use of instructor personnel abroad. The staff has also provided the Clandestine Services over 1,000 items selected for its applicability to the specific training objective described by the Clandestine Services.

25X1A6a

4. There is being initiated, in cooperation with the DDP/FI and OSI, a scientific and technical instructional training course at ▮▮▮▮▮ and Headquarters designed to increase the capabilities of the Clandestine Services in covert collection of scientific intelligence.
